FINAL REPORT

Attach a report of educational activities conducted in observance of National Coin Week 1983. Supplement your report with documentation, such as press clippings, letters of acknowledgement, programs, bulletins and photographs. The quality of your presentation and documentation will be considered when reports are chosen for publication in THE NUMISMATIST. Large, elaborate reports are discouraged, but reports in scrapbook form are quite suitable and should be considered.

New ANA members recruited during your National Coin Week campaign should be listed on the reverse of this form.

CERTIFICATES OF PARTICIPATION

Certificates will be provided to clubs and individuals submitting FINAL REPORTS and to the individuals and organizations designated by them. Your report should include a printed or typewritten list of club members, institutions and other individuals whose support contributed significantly to the success of your local National Coin Week campaign. Certificates will be sent to the above address for distribution.

All FINAL REPORTS should be sent First Class Mail, postmarked on or before May 27, 1983, to

Exploring Our Proud Heritage

During National Coin Week, I displayed an exhibit at the Oak Lawn library (photo is used). This was on display the entire month of April. I donated coin books to Oak Lawn library, Beverly book store, Most Holy Redeemer grammar school library and Beverly branch library (where I displayed a poster).

I wore and distributed the buttons & stickers from the ANA and explained to recipients how I enjoy the hobby. I also did this at the Oak Lawn library, where I gave people a look at my exhibit.

Now I am working on a third article for The Numismatist & on my beginner's in coin collecting. (I've already had 2 articles accepted) All of this to bring the joy of numismatics to others.
